# Medical Billing and Coding and Health Information Management

## Medical Billing and Coding Undergraduate Certificate

### Associate Degree in Health Information Management

Students take two 45 min live class sessions every other week (weeks 1, 3, 5, and 7); however, for medical billing and coding courses, the class sessions may include weeks 2, 4, and 6. Live events are recorded in case you can't make it, and make-up activities can be completed. The day of the session may change each module, so students should try to be available during either of the time blocks below.
